Education

Wilfrid Laurier University

Sept 2024 – Apr 2029

Bachelor of Computer Science & Business Administration Double Degree, Co-op

Projects

Daily Dose of Tech | twitter.com/DailyDoseOfTech

Python, Tweepy, PRAW, AWS Lambda

- Developed a **Twitter bot** that tweets out trending news content selectively scraped from Reddit pages
- **Automated** tweeting content using an **AWS Lambda** function that calls **Twitter's API** to post curated content daily
- Enabled **filtering** for the most relevant news by analyzing scraped article data using the **Reddit API**
- Attained **10,000+ organic impressions** through automated tweets

AniCollection | anicollection.org

ReactJS, Jikan API, Firebase, Firestore

- Built a web app to enable users to create and share **collaborative** anime collections using **ReactJS** and **Firebase**
- Allowed users to **sync** their collections across devices by leveraging Firebase for **user authentication** and a Firestore **real-time database**
- Allowed users to browse a live anime **database** by leveraging the **Jikan API** to **search** anime by key words
- Created a **responsive** and accessible user experience across desktop and mobile using **CSS**

Eventify | eventify.one

ReactJS, Spotify Web API, Ticketmaster Discovery API

- Created a web app to allow users to view upcoming events for their top artists by connecting their Spotify account
- Provided users custom recommendations by using **Spotify's Web API** to retrieve users' top artists
- Displayed upcoming events for users' artists by connecting the **Ticketmaster API** to the user's Spotify data
- Enabled users to **add events** to their calendars from Eventify to Google and Apple apps using a React library

Experience

Sandwich Artist | Subway

June 2023 – August 2024

- Trained 5 employees in meal preparation to ensure a cohesive team for efficient customer service
- Ensured a safe dining environment by maintaining Subway's safety standards through cleaning and sanitizing

Awards

Anne Marie Feddema Memorial Computer Science Award

October 2024

Received a bursary for outstanding academic performance and technical skills in the field of Computer Science

Ted Rogers Entrance Scholarship

July 2024

Received \$2000 scholarship based off 4.0 High School GPA

Wilfrid Laurier University Entrance Scholarship

June 2024

Received \$3000 scholarship based off 4.0 High School GPA

Skills

Languages Python, Java, JavaScript (ES6), HTML5, CSS

Tools & Libraries ReactJS, Firebase, Firestore, Git, Github, Matlab, Amazon Web Services, Power BI
